NEWSLETTER June 1, 2015

This year has flown by and we can't believe it's the final week of school! Our fun end of the year activities include field day on Thursday, and Friday is our annual end of the year celebration concert at 9:00 a.m. in the amphitheater at Canyon Rim Park. Two of our very talented patrons, Abe Kaelin and Peter Breinholt will once again share their talents with us. Parents are invited to come! We hope for good weather on Friday, but in case of inclement weather, the concert would be held in our multipurpose room and space is limited to students only.

June 4th (Field Day) and 5th (final day) are Free Dress days, but **please remember**:

- Students must wear socks
- Students must wear closed toe, closed heel shoes (no sandals, flip-flops, or Crocs with an open back).
- Skirts and shorts must be no shorter than 2" above the knee, even with leggings or tights.
- Tank tops are not allowed

6th Grade Promotion will be held June 5th at approximately 10:00 a.m. - right after the concert in the park.

As we end one school year, we begin preparing for the next year. Information about the beginning of the 2015-2016 school year and your child's teacher assignment will be mailed to you by August 8th, so watch your mailboxes in August. We hope our CRA families have an enjoyable summer!

Board of Trustees Parent Election

As the school year ends, we will hold an election for an opening in our Board of Trustees. You will receive an email sometime this week inviting you to vote online for one new board member, one vote per family please. The deadline to cast your vote is June 12th. Please watch for that email and cast your vote!

Student Lunch Money

Student lunch balances are now available online through our new website. Please check your child's lunch balance online. You may also call or email to find out your child's balance and lunch balance notes will go home today. It is important to have all accounts current as we end the school year, so please pay all owed lunch money ASAP. Any remaining funds in your child's account will carry over to the next year.

Library Pages

Happy Last Week of School! I have no doubt you've heard this before, but....ALL LIBRARY BOOKS MUST BE TURNED IN AND/OR PAID FOR THIS WEEK! You'll be seeing paper notices, receiving emails, and hearing it from teachers. It is essential that all things "library" are taken care of this week - thanks for your help. If you have questions, please contact me by email, evanleeuwen@canyonrimacademy.org. On a happier note...watch for our summer reading challenge, coming home this week.

Hope your summer break is filled with books, sun, reading, relaxing, books, fun, reading, family, books, and did I say READING?! XOXO Miss Liz

After School Care

After School Care will end at the regular time of 5:30 p.m. this last week of school, Monday-Thursday. But there will be NO AFTER SCHOOL CARE on the LAST DAY OF SCHOOL, June 5th.

Summer Lice Checks

During the school year we occasionally have a few cases of head lice reported to the school. All schools have a few cases of lice from time to time and rumors fly when this occurs, but we have been fortunate not to have a consistent problem with head lice. We have also discovered that lice begins showing up after we've been in school for a couple of months, and we can tell that the lice would have been acquired during the summer months. Parents, please check your child's head for signs of lice during the summer. Lice can be picked up from movie theater seats, airline seats and anywhere people gather for summer fun. Lice is not a dangerous health problem, but just a "pest!"
